Membership Terms

I. Seasonality: Joining a CSA is to share in the risks and rewards of local agriculture. While not anticipated, crop failures can occur. In the event of a specific crop failure, shareholders may not receive that item for the remainder of the season. On the other hand, sometimes we have bumper crops, and you might get the same item many weeks in a row. We do our best to balance things out. We may also occasionally include other non-vegetable food items, such as eggs, breads, pickles, jams, etc., to fill out weeks where we feel the shares are light or repetitive. We are not able to substitute items in your share.

II. Pick-up: You are responsible for picking up your share at Mapleville Farm on Saturday afternoon between 12:00 PM and 5:00 PM. Mapleville Farm is not responsible for holding shares beyond the designated pick-up time. Unclaimed shares will be donated to a local food pantry. There are no refunds or repeats for missed shares.

III. Weather/Emergencies: In the event of severe weather or other emergency on the farm, we may occasionally be required to cancel CSA pickup for a given week. Weeks cancelled by us will always be made up another time later in the year. You will be informed of cancellations via e-mail or phone call and kept up to date as to when the make-up week will be.

IV. Vacation: In the event that you are unable to pick up your share, you may have a friend or family member pick up for you. Please notify Mapleville Farm of this change at least one week in advance and provide the name, phone number, and e-mail address of the person(s) picking up your share.

V. Food Safety: Food safety is a top priority for us. We make every effort to get our produce to you in a clean and pretty state. Some items we specifically do not wash in order to give them a longer shelf life. HOWEVER, microbes are very small, and pretty is not the same as food-safe; you should always wash your produce before consuming. You are responsible for washing all produce in your share.

VI. No Refunds: All shares are non-refundable.

VII. Payment: Shareholder participation in the program is not confirmed until Mapleville Farm receives payment in full.
